Shelter Care has been providing short and long term housing to families utilizing a variety of federal and local funds for over 20 years. These include CoC grants, Emergency Solutions Grants (ESG), FEMA, as well as local and state funding. Shelter Care uses a combination of foundation grants, general fundraising dollars, and in kind donations and volunteer hours as match.

Shelter Care has extensive experience performing the activities proposed in the application including: providing leasing and rental assistance, operations including maintenance and furniture, and supportive services including case management, assistance with obtaining benefits, helping families increase income, and ensuring children and adults have access to education and resources to be successful.

2. Describe the experience of the applicant and potential subrecipients (if any) in leveraging other Federal, State, local, and private sector funds.

Shelter Care is proficient at fundraising and grant writing to secure match dollars for all current federal grants. In addition, Shelter Care has recently started tracking eligible donations and volunteer hours to be used as match.

On the front lines are the housing advocates/case managers. Advocates deliver all the direct services to clients. Shelter Care uses an accrual accounting system in Quickbooks, as well as tracking donations and volunteer hours in donor perfect. Excel spreadsheets are used for tracking grant expenditures and submitted to the Collaborative applicant (City of Rockford) on a monthly basis for reimbursement.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Shelter Care will provide rental support and services to homeless families in Winnebago and Boone Counties in IL through Rapid Rehousing. Families will be referred through the local Single Point of Entry. This is a low-barrier, housing first project. Up to 20 families could be assisted within 12 months of project start. The total number of families assisted will depend on how much each family can afford to pay towards their rent and how quickly their household income increases to a level that precludes them from receiving assistance.

Families will be provided assistance with housing location/selection, rent and deposit payments, supportive services, transportation, furniture, household cleaning items, school supplies, toiletries, legal referrals, among other supports. Families will work to increase income by obtaining or increasing employment, applying for benefits such as TANF or SSI, and applying for other subsidized housing if renting a market rate unit is not a viable option in the near future without ongoing financial assistance.

Families will receive 12 months of rental assistance if they still financially qualify per the local CoC guidelines/agreement. Families may receive up to 24 months of rent assistance in some cases. All families may elect to receive up to 6 months of case management after rent assistance concludes.

2. For each primary project location or structure in the project, enter the number of days from the execution of the grant agreement that each of the following milestones will occur as related to CoC Program funds requested in this project application. If a milestone is not applicable, leave the associated fields blank. If the project has only one location or structure, or no structures, complete only column A. If multiple structures, complete one column for each structure.

Note: To expend funds within statutorily required deadlines, project applicants must be able to begin assistance within 12 months of conditional award. The one exception is for applicants who are conditionally awarded sponsor-based and project-based rental assistance. These conditional award recipients will have 24 months to execute a grant agreement; however, HUD encourages all recipients conditionally awarded funds to begin assistance within 12 months. The estimated schedule should reflect these statutorily required deadlines.

Projects serving households with children or youth must have a staff person that is designated to ensure children or youth are enrolled in school and connected to the appropriate services within the community. Reminder: failure to comply with federal education assurances may result in Federal sanctions and significantly reduce the likelihood of receiving funding through the CoC Program Competition.

Please check the box that you acknowledge you will be required to meet the above requirements if you have any qualifying participants.

X

2. Describe how participants will be assisted to obtain and remain in permanent housing.

When participants are referred from Coordinated Intake and Assessment (Single Point of Entry), a case manager provides guidance regarding selecting a rental property. Help and transportation are offered to the participant and a letter from Shelter Care explaining the program is given, so it can be shared with potential property owners. Case managers make themselves available to answer calls from landlords to explain the program in further detail if needed. Throughout the time a participant is involved in RR with Shelter Care, case managers regularly speak with property owners and work to mitigate any potential problems before they become eviction-able offences, such as late tenant rental payments, visitors who aren't on the lease, and property upkeep issues. In the rare case a participant is evicted, Shelter Care works to help them find alternative housing.

3. Describe specifically how participants will be assisted both to increase their employment and/or income and to maximize their ability to live independently.

Each participant family will be assigned a case manager/housing advocate who will work one on one to improve job readiness and access to employment. Case managers help edit resumes, assist with interview and employment clothing, either transport or provide gas vouchers or bus tokens to get to and from work or interviews, refer participants to job training in the community, such as Workforce Connections and the Works Center, and help make child care arrangements to once participant is employed, she can remain employed. All families are strongly encouraged to pursue both TANF and Child Support,

especially if they enter the program with zero income.
